Beauvais • Institut Polytechnique
Earth, Life and Environmental Sciences

Spring semester in Nutritional Sciences

February 1st to May 25th, 2012 – All courses are taught in English

Welcome to LaSalle Beauvais
The leading French “Grande Ecole” for Food and Health studies.

Objectives

Students will better understand the complex relationships between food chain, dietary habits, and human health as consumer and public health issue. Course work includes human physiology, nutrition, nutrigenomics and nutraceuticals with emphasis on European or Mediterranean nutrition and health.

CREDITS

Choose 15 US credits (or 30 ECTS credits) from among 20 US credits (or 40 ECTS credits) offered. 1 US credit for French as a Foreign Language is included. *Careful: 1 US credit is equivalent to approximately 2 European credits (ECTS credits).*

Tuition

- Erasmus students (from an Erasmus partner university): tuition waived
 - Exchange students (from a partner university/with a cooperation agreement): tuition waived
 - Other students: €3,000+ €50 (non refundable application fees)
- (Field trips to the Paris International Agriculture Fair and to Brussels are included in the program charges)

Fees

- Residence hall: €442/month (depending on room type)
- Security deposit: €350 (refunded upon departure)
- Meals: around €3/meal
- Equipment to bring: lab coat

Admission requirements

Agriculture or Food sciences: juniors, seniors or Master degree students from an accredited institution.

English: an advanced intermediate level is required: 750 TOEIC, 550 TOEFL paper (or 215 TOEFLcbt, 80 TOEFLibt), 6.5 IELTS.

Our LaSalle Beauvais campus

The scenic 25 acre campus, surrounded by 75 acres of private woodland, is located north of Beauvais. Students enjoy a full range of services: a dining hall, open 7 days a week, residence halls with wireless computers access, access to laundry facilities, a gymnasium, and a student center where you will meet the members of the student government and the different student organizations. Modern learning facilities include a library, and 150 computer stations, all open 7 days a week.

+ 2 hours per week of French as a Foreign Language courses (1 US credit / 2 ECTS credits)

Study in France

The “Grandes Ecoles” are unique to France. They were created in the late 18th century in order to offer outstanding scientific education to the country’s future engineers. LaSalle Beauvais, founded in 1854, belongs to this tradition. Studying on our campus will not only give you access to excellence in education; you will also have the opportunity to live in the country that invented “savoir-vivre”, the art of living well! The Picardy region, home of LaSalle Beauvais, is well known for its beautiful villages and its inspiring Gothic cathedrals. No wonder France is the most visited country in the world. Did you know that? Known for its gastronomy, wines and cheeses, France is a large country of amazing geographical variety. You will meet people who are proud of their cultural heritage, their lovely countryside, and their quiet towns and fine restaurants.
